

Learn to Prepare, part of the Hyundai iCare program, is a free, hands on workshop for P plate drivers (accompanying parents) designed to give you a better understanding of how your car works and road safety (with complimentary snacks, drinks and a safety kit upon completion).

This workshop includes:

- A five station hands on workshop including wheel changing, jump starting and more.
- An open forum to discuss road safety amongst new drivers and parents.

Places are limited so call Paul Wakeling Motor Group on 02 4628 1444 to book your spot today.
