

Hyundai Sat Nav Update Plan.

Receive an included map update with your scheduled service.[^]

A Hyundai Sat Nav Update Plan makes staying on track easier with annual Sat Nav map updates available when you complete a scheduled service at an authorised Hyundai dealer. Annual map updates are available for up to ten years*, representing another great Hyundai iCare benefit for our servicing customers.

Check your eligibility when you book your next scheduled service at an authorised and participating Hyundai dealer.

As the HERE Map Database continues to evolve, many significant updates are now included in the 2020 release. Below is an overview of what's changed. You can also contribute to future map enhancements by reporting changes or suggesting recommendations via the HERE Map Creator site mapcreator.here.com

The 2020 Map updates include:

For Accurate Guidance

- 198,802 street names updated
- 517,096 addresses updated
- 1,057,179km of total navigable roads
- 4,761 roundabouts updated

For Safe Travel

- 155,366 signpost information updated
- 46,864 turn restrictions updated
- 57,728 one-way roads updated
- 550,764 speed limits updated
- 85,604 total safety cameras

For Convenience

- 381,155km total lane guidance
- 1,645 total junction views
- 527,208 total places of interest

For New Features[†]

- 'Private mode' for call history
- Search contacts
- Traffic information lines over route guidance
- Points of Interest search in specified suburb

* **Hyundai AutoEver Sat Nav Update Plan:** Only applies to new vehicles with both 8" and 10.25" factory-fitted satellite navigation. Updates are delivered annually and can be included in your next scheduled service at a participating and authorised Hyundai dealer. Updates can also be downloaded and installed via the Hyundai AutoEver online tool by visiting: update.hyundai.com/AU/EN. Updates must be undertaken within 10 years of the vehicle's initial service, maximum number of 9 updates.

[†] As part of the Sat Nav Update process, some of your settings may need to be reset. New Features are available on selected models fitted with Satellite Navigation – Veloster (JS), i30 (PD), i30N (PDeN), IONIQ, Elantra (AD PE), Sonata (DN8), Kona, Nexo (FE), Venue (QX), Tucson (TL FL) and Santa Fe (TM).

* **Motrex Sat Nav Update Plan:** Only applies to new vehicles with factory-fitted satellite navigation (excluding i45). Updates are delivered annually and are included if the vehicle completes a scheduled service at a participating Hyundai dealer. Updates must be undertaken within 6 ½ years of the vehicle's initial purchase, maximum number of 5 updates. Eligible models include i30 (GD), Elantra (MD), Elantra (AD), Veloster (FS), Sonata (LF), i40 (VF), ix35 (LM/EL), Tucson (TL/TL), Santa Fe (DM).
