### DISCLOSURES

[B1] All cars must be ordered and delivered between 1st May 2020 and 31st May 2020. \$500 EOFY Bonus will be applied in the form of a discount on the advertised driveway price, at the time of purchase on all new and demonstrator MY20 Kona Go 2.0L Petrol 6-Speed Automatic 2WD.

[D] Drive away campaign price applies to MY20 Kona Go 2.0L Petrol 6-Speed Automatic 2WD model only. All cars must be ordered & delivered between 1st May 2020 and 31st May 2020. Offer valid whilst stocks last and excludes govt, fleet and rental buyers. Hyundai reserves the right to change, supersede or extend these offers at its discretion. Metallic and Mica paint are optional extras and are an additional cost. See your participating Hyundai dealer for details.

[F1] Finance is available to approved applicants only, subject to credit assessment and suitability. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers on selected new and demonstrator models only. The repayment amount calculated above is an estimate only, based upon the information you have entered into the calculator and does not constitute a finance quote, offer of finance or finance approval. Contact your local Hyundai dealer for a personal finance quote.

[F2] Hyundai CarPlan™ from Hyundai Finance™ is a feature which ensures you receive the Guaranteed Future Value (determined by Hyundai Finance™) at the end of the term of your contract when you trade it in at a participating Hyundai Dealer in accordance with the terms and conditions. To exercise the feature your vehicle must be inspected and assessed by a participating Hyundai dealer at the end of the term of your finance contract. Adjustments to the value may apply. You receive the Guaranteed Future Value for the car if you exercise the feature at the end of the term and purchase a new or demonstrator Hyundai at the same time. The amount you receive on trade in will satisfy the final repayment, even where the trade in is less than the repayment amount. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. Your total interest charged may be higher if you choose the Guaranteed Future Value feature for your loan, compared to a loan without the feature.
